GuiLin Landscape

Situated in South China, Guilin is like a glittering pearl on a green carpet, the scenery here enjoys the praise of "top landscape in the world". Guilin is a world-famous scenic city, famous for its unrivalled karst landscape, exquisite mountains, limpid rivers, wired caves and beautiful rocks.

Nestling at the foot of the mountains and by the streams, *Xingping Ancient Town* boasts of being the most beautiful town along the Li River, where the cultural relics retain their original appearances, including ancient bridges, pavilions and ferries, and the natural scenery is strikingly Breathtaking.

West Street is crowned as "the largest English Corner in China", and almost every vendor in this famed "global village" can speak simple English. Many visitors come for the street's leisure activities and global merging of cultures and lifestyles. You can spend many Hours strolling around the delightfully crowded street or just sitting in a café or bar.

Lipu Li JiangWan scenic area is a leisure, entertainment, watch as one of the dynamic tourist attractions, scenic natural landscape and cultural landscape: John Sullivan live sites, royal boat ride to see osprey performances, Ganoderma lucidum fairy, China Dragon Boat competitions. Li Li Jiang Wanjing district is relying on river basin, which is surrounded by like-shaped mountain, which has ancient human culture forever Suri end rhyme, with the national AAAA level standards are built with interactive encircling the large radius of 30 square kilometers scenic.

Rong Lake and Shan Lake Scenic Area is located in the center of Guilin city, it is also a scenic spot for Guilin city tour. Actually it is consisted of two lakes: the east of Yang Bridge is Shan Lake, and the west of the bridge is Rong Lake. Because the banyan and cedar grow here, so it's called Rong Shan Lake (banyan and cedar lake). If it is a destination for travellers who are going on Guilin city tour.
