

Charming QingDao

JiNan, ZhouCun, ZiBo, WeiFang, QingDao

8 Days 6 Nights Experience Pure Tours
(NO Shopping Shops & Compulsory Optional Tour)

Qingdao, a beautiful seaside city located in southeast Shandong Province coast, is a charming place where travelers love to have a breath far away from China's dense urban interior. Situated not far away from Korea and Japan to the east, Qingdao represents an important city for international trade and is renowned for its typical seascape and European architectural style. Being a German colony for a while, the city has proudly kept these typical buildings' characteristics which grant it the name of the Orient Switzerland, a scenery rarely seen in all mainland China.

Tour Highlights

- ✓ To Ensure that **no any shopping stops**
- ✓ During the day and **no optional** at their own expense, plenty Of time to visit.
- ✓ The first must-see attraction is **Zhan Bridge (Zhanqiao)**. Zhan Bridge is one of the important symbols of the Qingdao city.

BaDaGuan Scenic Area is a residential part of Qingdao with wide shaded streets and many German-style villas. A walking tour of the area with give visitors some insight into the historical significance of some of the buildings.

Located in the center of Jinan City, **Daming Lake Park** is regarded as one of the three must-see spots in Jinan (the others are Baotu Spring Park and Thousand-Buddha Mountain). The park is famous for Daming Lake (also known as the Lake of Great Light) which is a natural lake formed from many springs.

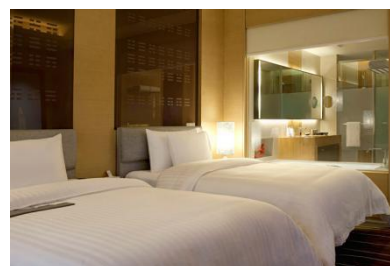

Qingdao Beer Museum
German Beer Company Qingdao Branch established in 1903, China's first brewing factory that built with European technology was the predecessor of the Tsingtao Brewery Company. At present, the museum owns 55 brewing factories and malt factories in 18 cities and provinces in China. The one-hundred-year old Tsingtao Beer has created its own history and culture.

Zhoucun Old Town, under the administration of Zibo City of Shandong Province, holds the reputation as the "birthplace of Shandong commerce."

Known as the "dry port" for its strategic location along many overland trading routes, trade in Zhoucun flourished in the early 20th century, and it became an important center for bankers and well as silk and tobacco merchants.
