Phoenix Ancient Town

The town is situated on the western boundary of Hunan Province in an area of outstanding natural beauty where mountains, water and blue skies prevail. Upon arrival visitor will be impressed by its air of mystery, elegance and primitive simplicity.

Glass Plank Road

is located in the top of Zhangjiajie Tianmen mountain, West road, Long 60 meters, The highest elevation 1430 meters. It is another special attractions in tianmenshan scenic area.

Tianmen Mountain, has been called "one of the most beautiful mountains in the world" by many travelers who have been there. The stunning views including 'Heaven's Door' and the 99 Bends, vertical cliffs, the thrilling cliff-hanging walkway and glass skywalk, and **the world's longest cable car ride**, make it unquestionably one of the best mountains to visit in China.

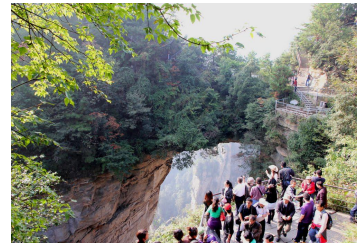

Bailong Elevator or Hundred Dragons Elevator is located in Wulingyuan Scenic Area in Zhangjiajie, which is one of the World Natural Heritage. The elevator was listed into the Guinness World Records, because it is honored as "the highest, the fastest, largest-loaded elevator in the world".

Ten Mile Natural Gallery It is located at the foot of Tianzi mountain. Suoxi Valley Scenic Spot is named as "Ten-mile Gallery", with looks like outdoor sculpture showroom. Along two sides of the river, there display many great hills and cliffs. The Gallery offers an amazing experience of beauty.

The Zhangjiajie Glass Bridge The bridge boasts of the tallest and longest span glass bridge in the world. Design scheme shows that the bridge is 430 meters length in total, 6 meters wide, and with a relative height of about 300 meters. The bridge deck all uses transparent glass.

The No.1 Bridge Under Heaven This sky bridge stretches across two mountains. It is uncommon for most of us to see a natural bridge surrounded by white clouds and oddly-shaped stone peaks. It spans over 25 meters with a vertical height of 357 meters, being a natural stone bridge with The maximum vertical heights in the world.
